ETHOS AND LIFE OF OUR SCHOOL

Friendship, Excellence, Respect

Skills focus - Effective Contributors - learning to recognise our own strengths, and other people's strengths.

Eco schools - action planning for water and Health and Wellbeing, harvesting and eating our school grown tatties.

Repairing our mini beast hotel. Planting bulbs for the Spring. Energy Month activities in November.

CORE LEARNING

Health and Wellbeing - PE, dance, teeth brushing, healthy tuck

Literacy - Having a go at all sorts of reading activities during Scottish Book Week 2014 - some challenges will be coming home too! Writing up experiments and developing the 'tools' and skills we need to be good writers.

Maths/numeracy - This term our focus is measure - we'll be learning how to measure volume, weight, temperature and time and using these skills in practical contexts. Also - mental maths, addition and subtraction strategies, X tables for the older ones and pattern for the littlies.

OPPORTUNITIES FOR
PERSONAL ACHIEVEMENT

Preparing and performing in our pantomime and nativity

Individual targets

Active Learning/Personal Planning

Floor book group planning

Review, reflect and respond
