

CURRICULAR AND INTERDISCIPLINARY LEARNING

- Social Subjects - we will be learning about representative democracy, the election process and about the Scottish Parliament. We will receive a visit from Outreach Education (Scottish Parliament) to support us in our learning. The children will apply learning to create their own democratic Pupil Council.
- PC, SI & Keills Team Building Activity- the children will work together prior to the City Trip to research places of interest within Stirling. This will be a good opportunity for P.6/7 and children to get to know each other better.
- Smoke Free Me - we will be learning and discussing the health issues around smoking.

ETHOS AND LIFE OF OUR SCHOOL

Friendship, Excellence, Respect

- Skills Focus - Developing as a 'Successful Learner'.
- 'Set yourself challenges' will be the main focus aspect.
- Eco Schools - focus areas Sustaining our World and Energy
- Assemblies - discussing and sharing examples of our school values and expectations.
